

**Annual Report of the Independent Review Committee
to the Securityholders of the Hamilton Group of Funds**

March 21, 2023

Dear Securityholder,

In accordance with **National Instrument 81-107 *Independent Review Committee for Investment Funds*** (“NI 81-107” or the “Instrument”), Hamilton Capital Partners Inc. (the “Manager”) established an Independent Review Committee (the “Committee” or “IRC”) for the Funds on January 19, 2016. The IRC has functioned in accordance with the applicable securities laws and is composed of three individuals, each of whom is independent of the Fund, of the Manager and each entity related to the Manager (as defined in the Instrument).

The IRC is pleased to publish its annual report to securityholders, covering the period from January 1, 2022 to December 31, 2022 (the “Reporting Period”).

Mandate of the IRC

In accordance with the Instrument, the mandate of the IRC is to consider and provide decisions to the Manager on conflicts of interest to which the Manager may be subject when managing the Fund. The Manager is required under the Instrument to identify potential conflicts of interest inherent in its management of the Fund, develop written policies and procedures guiding its management of those conflicts and request input from the IRC on those written policies and procedures (hereinafter referred to as the “Conflict of Interest Matters manual” or “COIM manual”).

When a conflict matter arises, the Manager must refer its proposed course of action in respect of such conflict to the IRC for its review. While certain matters require the IRC's prior approval, in most cases the IRC will provide a decision to the Manager as to whether or not, in the opinion of the IRC, the Manager's proposed action provides a fair and reasonable result for the Fund. For recurring conflict of interest matters, the IRC can provide the Manager with Standing Instructions (“SIs”) that enable the Manager to proceed with certain matters without having to refer them to the IRC each time for approval, providing the Manager deals with the conflicts in accordance with the SIs.

The IRC is empowered to represent the best interest of the Funds in any matter where the Manager has referred a conflict of interest matter to it. In those cases, the IRC has sought to ensure that the Manager's proposed course of action represents a fair and reasonable result for the Fund.

The IRC has engaged Independent Review Inc. to assist it in its duties in accordance with the provisions of the Instrument and the IRC's written charter, to provide certain administrative and record keeping functions, and to act as the IRC's independent secretariat.

Composition of the IRC

The current members of the IRC and their principal occupations are as follows:

Name and Municipality of Residence	Principal Occupation	Term of Office
Chair: R. Warren Law, Toronto, Ontario	Financial Services Lawyer	Initially Appointed on January 19, 2016 Re-appointed in 2021 until December 31, 2024
Geoff Salmon, Barrie, Ontario	Managing Director, Independent Review Inc.	Initially Appointed on January 19, 2016 Re-appointed in 2022 until December 31, 2025
Bruce Friesen, Oakville, Ontario	President, Global Investments Solutions Inc.	Initially Appointed on January 1, 2022 for a period of three years

Geoff Salmon term was renewed on October 18, 2022 for a period of three years effective January 1, 2023. The re-appointment extended Mr. Salmon's total years of service beyond the six-year term limit set out in the Instrument. However, the Manager has provided its consent to, and agreement with, the re-appointment beyond the six-year term limit in accordance with the provisions of the Instrument.

Compensation and Indemnification

Review of Compensation

At least annually, the IRC reviews its compensation considering the following:

- the nature and extent of the workload of each member of the IRC, including the commitment of time and energy expected from each member;
- the number of meetings required by the IRC including special meetings to consider conflict issues brought to the committee;
- industry best practices, including industry averages and surveys on IRC compensation; and,
- the complexity of the conflict issues brought to the IRC.

The IRC reviewed comparable benchmarks and the above factors with the Manager and agreed to increase the fees for the IRC to \$30,000 annually, effective January 1, 2022.

Members' Fees

In aggregate, the IRC members were paid \$30,000 in 2022, plus applicable taxes.

Indemnities Granted

The Funds and the Manager have provided each IRC Member with a contractual indemnity in keeping with NI 81-107. No payments were paid to the IRC Members pursuant to this indemnity by the Funds or the Manager during the Reporting Period.

Disclosure of IRC Members' Holdings

As of December 31, 2022, the IRC Members did not beneficially own, directly or indirectly:

- any units of any of the Hamilton Funds;
- any interests in the Manager; or,
- any interests in a company or person that provides services to the Manager or the Fund.

Decisions and Approvals

On April 18, 2022 the Manager proposed changes to the investment objectives of the Hamilton Enhanced Multi-Sector Covered Call ETF and the Hamilton Enhanced U.S. Covered Call ETF from replicating a 1.25x multiple of a Solactive index, which in both cases, has strict rules regarding removing/replacing/adding constituents to the index. The proposed changes would remove the obligation to replicate the Solactive indices. After reviewing the material presented by the Manager both before and at the meeting and after reasonable enquiry the IRC determined that the Manager's course of action above-noted provided a fair and reasonable result for the Hamilton Enhanced Multi-Sector Covered Call ETF and the Hamilton Enhanced U.S. Covered Call ETF.

On December 21, 2022 the Manager proposed changing the investment objective of the Hamilton Enhanced Canadian Bank ETF from replicating a 1.25x multiple of the Solactive Canadian Bank Mean Reversion Index for the six largest Canadian banks to replicating a 1.25x multiple of the Solactive Equal Weight Canada Banks Index involving the same six largest Canadian banks. After reviewing the material presented by the Manager both before and at the meeting and after reasonable enquiry the IRC determined that the Manager's course of action above-noted provided a fair and reasonable result for the Hamilton Enhanced Canadian Bank ETF.

Standing Instructions Approved

The IRC has approved one SI, which constitute a written approval or decision from the IRC that permits the Manager to proceed with the specific action(s) set out in an SI on an ongoing basis. It may do so without having to refer the conflict of interest matter or its proposed action to the IRC, provided that the Manager complies with the terms and conditions of the SI. The SI required the Manager to comply with its related policy and procedures and to report periodically to the IRC.

Standing Instruction No. 1: Omnibus

This SI deals with a number of conflicts of interest matters including:

1. Fees and Expenses
2. Trade Allocations
3. Portfolio Pricing Issues

7. Outsourcing to Third-party Services
